# PLINIO

« Design e funzionalità, uniti ad una lavorazione artigianale e materiali pregiati.

Design and functionality, combined with craftsmanship and precious materials. »

design by Andrea Parisio, Giuseppe Pezzano

# 6 motivi per scegliere Plinio — 6 reasons to choose Plinio

① **Lavorazione artigianale e pregiato Legno Massello**  
— Craftsmanship and fine solid wood

La struttura in pregiato Legno Massello, realizzata interamente a mano, permette di apprezzare tutta la bellezza del legno. NB: per la struttura è possibile scegliere anche la versione in metallo.  
— The structure in fine solid wood and entirely handmade, allows you to appreciate all the beauty of the wood. NB: The structure is also available in a metal version.

② **Un perfetto connubio tra Design e Praticità**  
— A perfect combination of Design and Practicality

Un ampio bacino ed un comodo piano d'appoggio. Tutto intorno al lavabo c'è un bordino che caratterizza il design del prodotto e allo stesso tempo funge da barriera di protezione per l'acqua.  
— A large washbasin with a comfortable countertop. A border surrounds the sink that characterises the product design whilst at the same time acting as a protective water barrier.

③ **Grande possibilità di Personalizzazione**  
— Great possibilities for customisation

I Colori delle Terre di Cielo, unite alle essenze del legno e ai colori delle laccature permettono una grande scelta di combinazioni.  
— The colours of the Terre di Cielo, combined with the essences of the wood and the colours of the lacquers allow a great choice of combinations.

④ **Praticità di Installazione ed un ingombro ridotto**  
— Easy installation and a reduced footprint

Massima facilità di installazione ed una profondità del mobile contenuta in soli 46 cm rendono il prodotto perfetto per ogni ambiente, anche quelli meno capienti.  
— Maximum ease of installation and a cabinet depth of just 46cm make it the perfect product for any environment, even the least capacious ones.

⑤ **Accessori sofisticati e artigianali**  
— Sophisticated and handcrafted accessories

Ampie e comode ceste in Vero Cuoio lavorate a mano fungono da portaoggetti, permettendo di arricchire e personalizzare il prodotto. Sono realizzate in due diverse altezze e si adattano sia al piano che al cassetto.  
— Large, comfortable, handcrafted real leather baskets act as storage, allowing you to enrich and personalise the product.

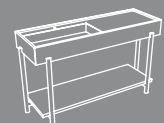

⑥ **Un pratico bordino perimetrale tutto intorno al lavabo**  
— A practical perimeter border surrounds the washbasin

Un pratico bordino corre tutto intorno il perimetro del lavabo, caratterizzandolo del design e allo stesso tempo fungendo da barriera di protezione per l'acqua.  
— A practical border runs all around the perimeter of the washbasin, characterising the product design whilst at the same time acting as a protective water barrier.
