* ATTENZIONE:

I piani ceramici/mineral e gli arredi sono laccati con lo stesso grado di colore. Tuttavia trattandosi di materiali differenti (ceramica/mineral ed MDF) i toni di colore potrebbero risultare non perfettamente identici. Per questo motivo eventuali differenze di colore tra lavabo ed arredo non potranno essere considerate oggetto di contestazione.

* WARNING:

The ceramic/mineral washbasins and the furnishings are lacquered with the same tone of color. However, even if ordered with the same color, different materials such as ceramic/mineral and mdf can look slightly different. For this reasons eventual differences in colors between the washbasins and the furnishings will not not be accepted as a claim.

* Maggiorazione per finitura RAL/NCS lucidi e opachi a campione € 110 a composizione / Extra charge for RAL/NCS gloss or matt finish according to the range: € 110 per layout
