GESSI
EMPORIO

Via Manzoni_moda italiana

Immagine raffinata di atmosfere di contemplazione dove le cose esperite, viste e toccate, assurgono a essenza autentica e pura, fonte di serenità. Desiderio di pulizia dischiude l'anima a freschi pensieri; ricerca di bellezza immerge nell'esperienza di oggetti sensibili, di forme sensuali e avvicina al respiro semplice e meraviglioso della natura.

Via Manzoni_italian fashion

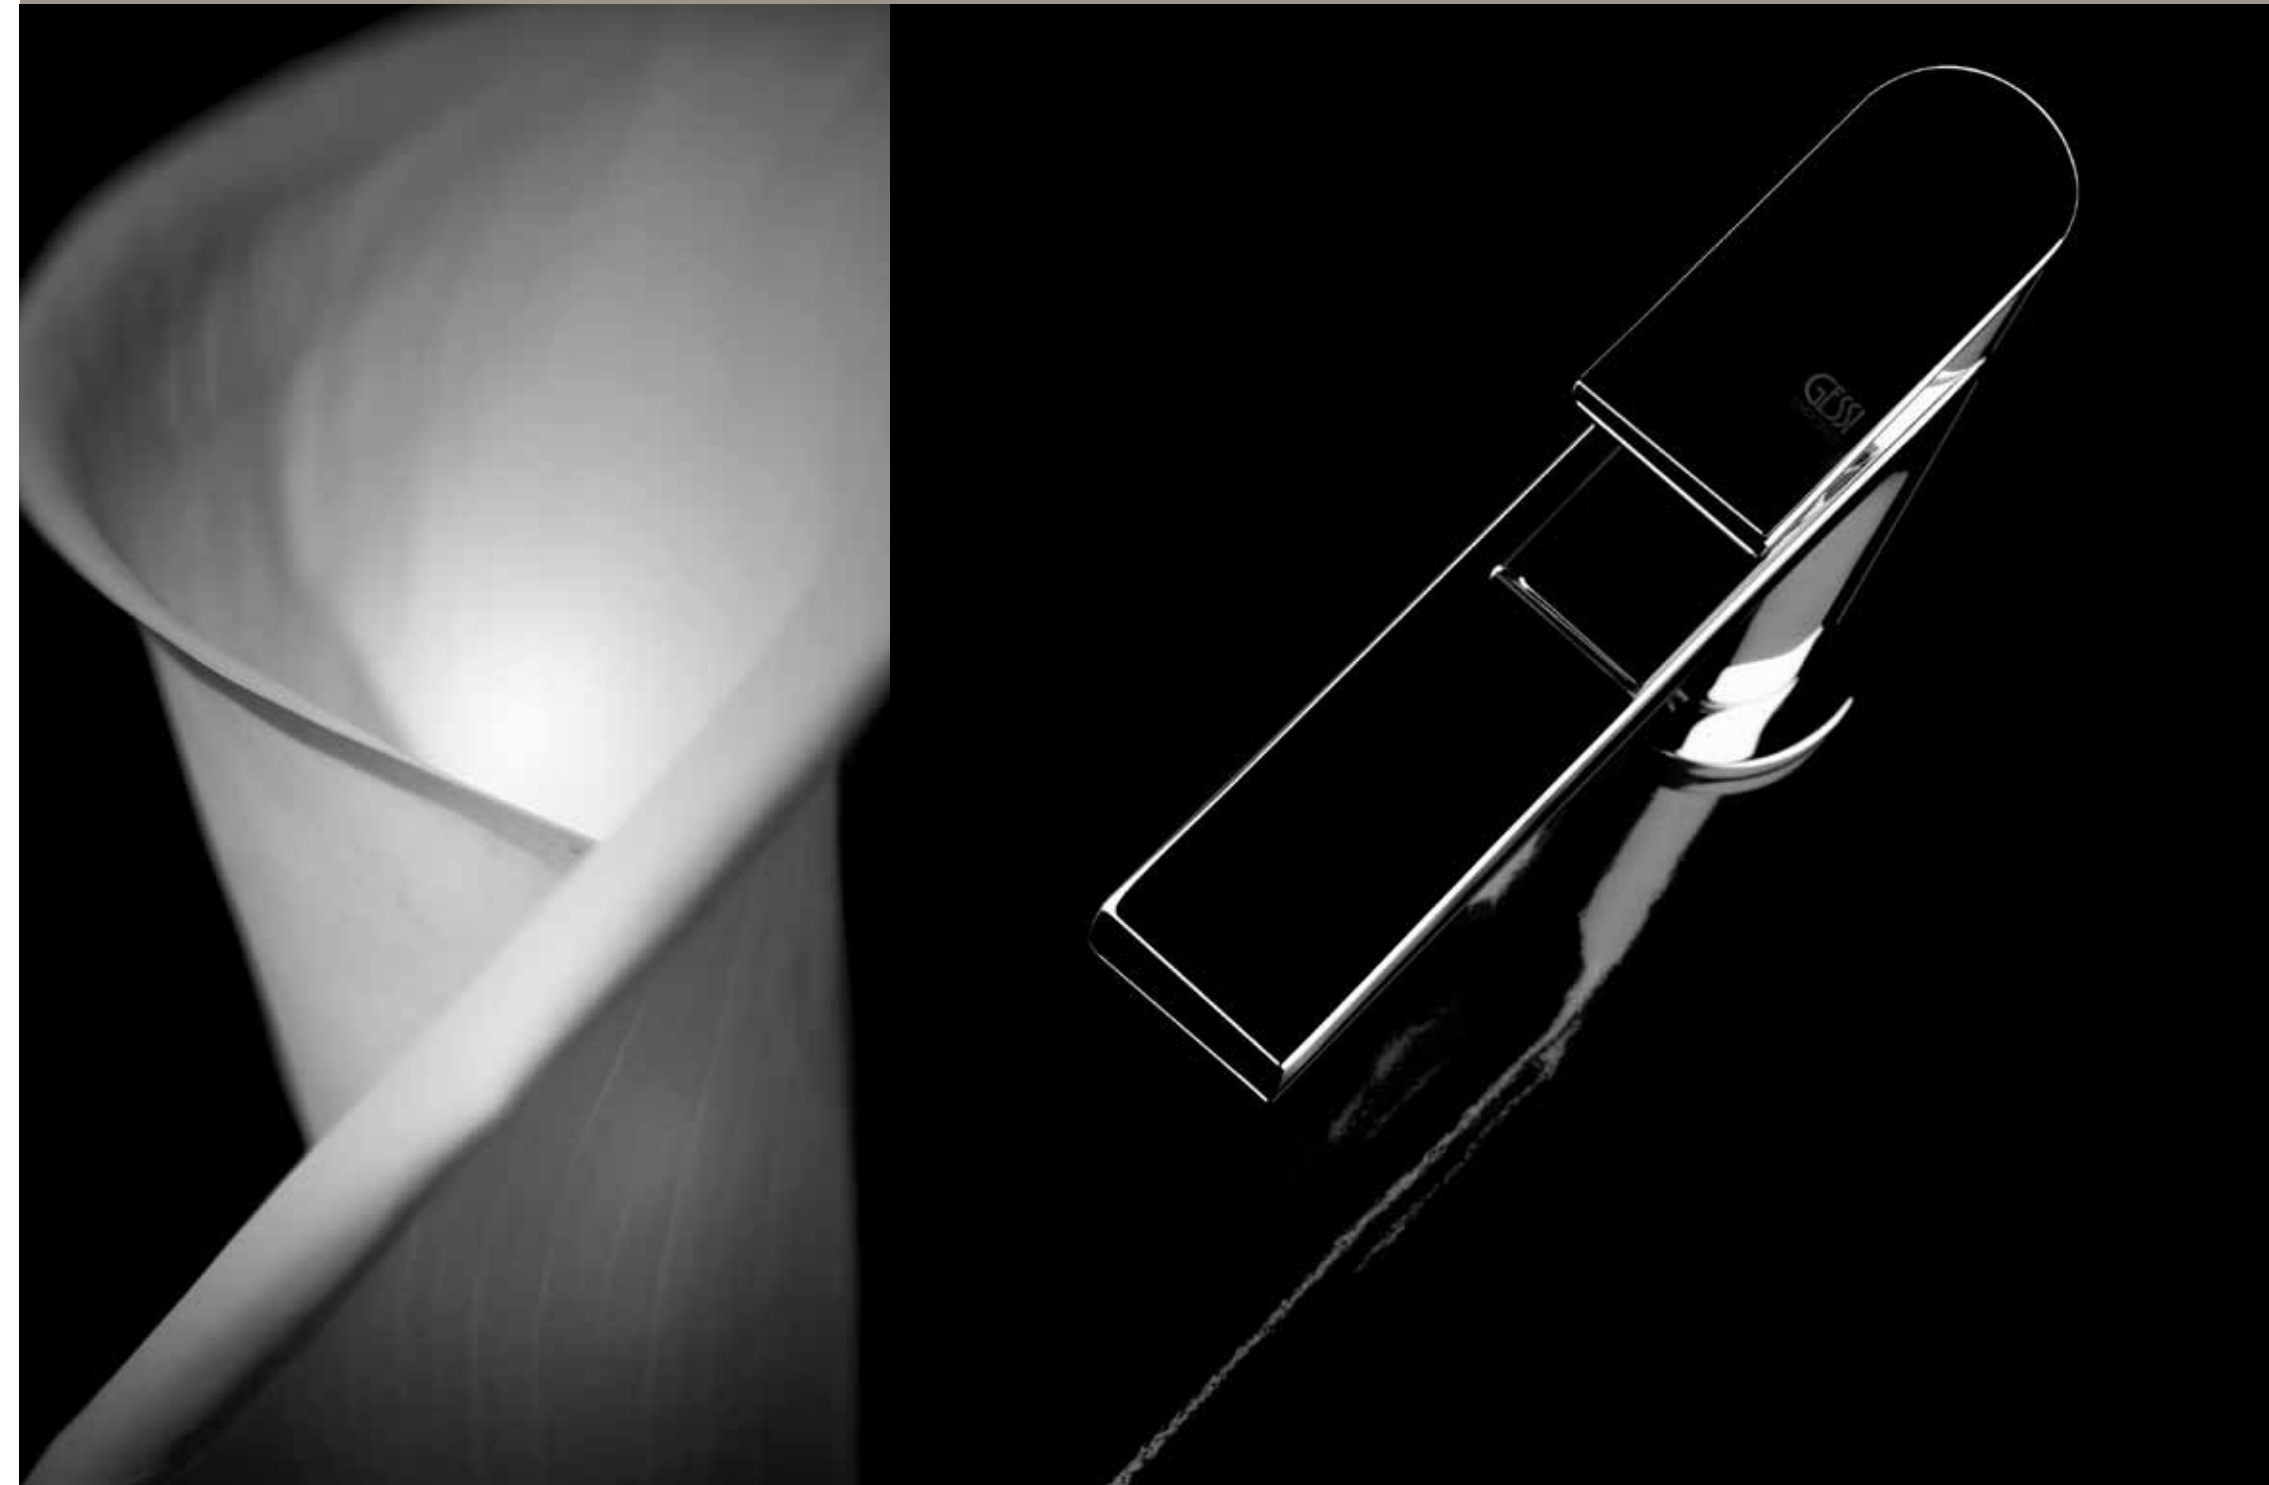

Exquisite images of meditation where things experienced are seen, touched and elevated to a pure, authentic essence and a source of tranquillity. A longing for carefulness exposes the soul to fresh thoughts; the quest for beauty is bathed in an experiment of sensible substance, of sumptuous shapes, and challenges the fundamental and amazing breath of nature.

GESSI DESIGN FOR NATURE
GESSI DESIGN FOR NATURE

Via Manzoni di Emporio Gessi è un rubinetto di design a tecnologia eco-sensibile. Quando la leva del miscelatore è in posizione centrale, il rubinetto eroga solo acqua fredda evitando un'automatica attivazione della caldaia e quindi consumi di energia, spesso assolutamente non necessitati.

Via Manzoni of Emporio Gessi is a faucet designed with eco-conscious technology. When the mixer lever is in the central position, the tap distributes cold water only, eliminating the need for activation of the boiler and the consequent energy consumption that is wasteful and unnecessary.
