K.ONE

K.One è proposto con la gamma completa di finiture RiFRA: laccato opaco, lucido e metallizzato, essenze, pelle, cemento, argilla, metallo, sono le finiture disponibili.
Qualità rara, l'interno è proposto di serie nella stessa finitura dell'esterno. In opzione sono disponibili rivestimenti interni in microfibra.

*K.One is available with the complete range of RiFRA finishes: matt, glossy and metalized lacquer, woods, leather, cement, clay, metal, are the available finishes.
Rare quality, the interior is offered as standard in the same finish as the exterior. As an option, microfibre internal cladding is available.*

*K.One est disponible avec la gamme complète des finitions RiFRA : laque mat, brillant et métallique, bois, cuir, ciment, argile, métal, sont les finitions disponibles.
Qualité rare, l'intérieur est proposé en standard dans la même finition que l'extérieur. En option, un revêtement interne en microfibre est disponible.*

*K.One ist mit der gesamten Palette der RiFRA-Oberflächen erhältlich: Mattierter, glänzender und metallischer Lack, Holz, Leder, Zement, Ton, Metall, sind die verfügbaren Oberflächen.
Seltene Qualität, der Innenraum wird standardmäßig in der gleichen Ausführung wie in der Außenseite angeboten. Als Option ist eine Innenverkleidung aus Mikrofaser erhältlich.*

K.KUBE

K.KUBE si presenta come un mobile dalle forme pure, senza maniglia visibile, e senza gole o profili visibili. Le lavorazioni a 45 gradi, su K.KUBE sono riportate all'interno del mobile, sia nel profilo del top, che nei profili dei fianchi e del basamento. In questo modo il volume è puro, senza interruzioni. Gli interni e le guide dei cassetti, vengono presentati laccato opaco, in essenza, oppure rivestiti in microfibra.

K.KUBE is a cabinet with pure shapes, without visible handle, and without visible grooves or profiles anywhere. The 45-degree processing on K.KUBE is shown inside the cabinet both in the profile of the top and in the profiles of the sides and the base. In this way, the volume is pure and uninterrupted. The interiors and drawer rails are presented in matt lacquer, in wood, or covered in microfibre.

K.KUBE se présente comme un meuble aux formes pures, sans poignée visible et sans rehausses ou profils visibles. L'usinage à 45 degrés sur K.KUBE est réalisé à l'intérieur du meuble, aussi bien dans le profil du plan de travail que dans les profils des côtés et de la partie inférieure. De cette façon, le volume est pur et ininterrompu. L'intérieur et les glissières des tiroirs sont présentés en laqué mat, en bois ou recouverts de microfibre.

K.KUBE sieht aus wie ein Möbelstück mit reinen Formen, ohne sichtbaren Griff und ohne sichtbare Unterbrechungen oder Profile. Die 45-Grad-Verarbeitung auf K.KUBE ist im Inneren des Schrankes dargestellt, sowohl im Profil der Arbeitsplatte als auch in den Profilen der Seiten und des Unterteils. Auf diese Weise ist das Volumen rein und ununterbrochen. Die Innenräume und Schubladenführungen werden in Mattlack, Holz oder mit Mikrofaser bezogen präsentiert.

ZERO

Il mobile componibile RiFRA raggiunge il suo livello più alto con la collezione Zero:

Il design della collezione ZERO è caratterizzato da tre diversi tipi di anta:

Anta Zero: anta con maniglia integrata che si sviluppa proporzionalmente alla larghezza della base.

Anta B2K: anta con profilo a 45°.

Anta Fonte: anta con maniglia applicata.

The RiFRA modular bathroom system achieves its highest level with the Zero collection:

The design of the ZERO collection is characterized by three different types of doors:

Zero door: door with integrated handle that develops proportionally to the width of the base.

B2K door: door with 45° profile.

Fonte door: door with handle applied.

Le meuble modulaire RiFRA atteint son plus haut niveau avec la collection Zero :

Le design de la collection ZERO se caractérise par trois types de portes différents :

Porte Zero : porte avec poignée intégrée qui se développe proportionnellement à la largeur de la base.

Porte B2K : porte avec profil à 45°.

Porte Fonte : porte avec poignée appliquée.

Der Modulschrank RiFRA erreicht mit der Zero-Kollektion sein höchstes Niveau:

Das Design der ZERO-Kollektion zeichnet sich durch drei verschiedene Türtypen aus:

Zero-Tür: Tür mit integriertem Griff, der sich proportional zur Breite der Türbasis entwickelt.

B2K-Tür: Tür mit 45°-Profil.

Fonte-Tür: Tür mit angebrachtem Griff.

FREESTANDING AND WALL SINKS

La collezione di lavabi freestanding di RiFRA, ovvero lavabi che non devono essere legati al mobile contenitore, è declinata in diverse forme e materiali.

Esiste la possibilità di rivestire i lavabi nelle finiture speciali proposte per i mobili RiFRA, in modo da avere uno stile unico per la stanza da bagno.

The RiFRA freestanding washbasin collection, i.e. sinks that do not have to be connected to the storage unit, is available in various shapes and materials.

There is the possibility of covering the washbasins in the special finishes proposed for RiFRA furniture, in order to have a unique style for the bathroom.

La collection de lavabos freestanding RiFRA, c'est-à-dire ceux qui n'ont pas besoin d'être raccordés au meuble, est disponible en différentes formes et matériaux.

Il y a la possibilité de recouvrir les lavabos dans les finitions spéciales proposées pour les meubles RiFRA, afin d'avoir un style unique pour la salle de bain.

Die Kollektion der freistehenden Waschtische von RiFRA, d.h. solche, die nicht an den Schrank angeschlossen werden müssen, ist in verschiedenen Formen und Materialien erhältlich.

Es besteht die Möglichkeit, die Waschbecken in den für RiFRA-Möbel vorgeschlagenen Sonderausführungen zu verkleiden, um einen einzigartigen Stil für das Bad zu erhalten.
